

Hong Kong Shue Yan College Student Affairs Committee

The First Meeting of 2004/2005 Academic Year

1. The working group of the hostel service held a meeting to discuss the draft regulations of the hostel.
2. Committee members suggested that the College should produce a VCD of the graduation ceremony as souvenir for the graduates.
3. Committee members suggested setting up an ATM machine and a 24-hour tuck shop in the hostel.

The Second Meeting of 2004/2005 Academic Year

1. In this semester, there are seventy-two students living in the hostel. They are living on the sixteenth to nineteenth floors.
2. As the residential period is only three months, we agreed not to set up a residency committee in this semester.
3. A welcome party was held to provide the opportunity for the students to get to know each other.
4. The Hall Manager has invited three well-known caterers of good reputation and the existing canteen to hand in proposals. The deadline for submitting their proposals is in mid-April. When the proposals are collected, all committee members will make a recommendation.
5. The smart card system of the hostel does not function well. The supplier is taking action to solve the problems.
6. We invited HSBC, Hang Seng Bank and Bank of China to install an ATM machine in the hostel, but because of commercial considerations, all of them refused to accept our invitation.
7. The Committee decided to place all announcements on the notice board and to upload on OSA website.
