## Student Affairs Committee

### **The first meeting of 2006/07 academic year**

1. Three student organizations, Chinese Debate Team, Judo Club and Kendo Society were approved to be the newly formed student organization this academic year.
2. There were 1454 students applied for Financial Assistance Scheme for Post-secondary Students (FASP), 326 students got full grant and 506 students got less than 100% Grant.
3. There were 441 students applied for Shue Yan College Financial Assistance Scheme (SYCFA), 82 students got our college's assistance, the total amount was \$404,708.
4. A working group concerning about the catering service which was formed by Ms Cheung Oi Ngor, Lecturer of Social Work Dept. and two student representatives at 2005/2006 academic year and had conducted a survey in November, 2006. The Committee decided to have a open meeting with Mr Leung, the person-in-charge of canteen at mid January in order to improve the service of catering.(Done)

### **The Open meeting with the caterer holder in 2006/07 academic year**

- 1 An Open meeting with Mr. Leung, the person-in-charge of the canteen has been held on 5<sup>th</sup> February in the exhibition hall. Yet, there were only 4 students attended the meeting.
- 2 Topics in the meeting included the price, the quantity and the quality of food. In conclusion, Mr Leung agreed to increase the type of food provided by both canteen and café; they also agree to provide a cup of tea which is free of charge to students who bought any rice or noodle in the canteen and café. Besides, food like deep fried pork chop and noodle should be served separately as to ensure the taste is much better.

### **The second meeting of 2006/07 academic year**

1. Committee members agreed that the variety of food provided by canteen and hall café had increased, but committee members found that the hall café stop to provide dinner after 7:30pm, students need to wait for a long time after they order the food, therefore the hall residents prefer to make the dinner by themselves.(Done, hall section will supervise the opening hour of café)
2. Committee members agreed the quality of food has improved after the open meeting, food like deep fried pork chop and noodle are now served separately as to ensure the taste is much better.
3. New type of student card is made in plastic material and will be used throughout

the next academic years. Some students suggested not to change the student card as well for every semester and student want to add their course name in the student card, IT department agreed to consider about their suggestion.(Done, reported to IT Department)

4. In order to make the new student card, the Photographic Society agreed to help our year one to year three students to take the photo.
