- Double counting of overlapping courses (with Major) is allowed for up to 6 credits. These credits will only count once towards the total credits attained by the student. Exceeding this limit of 6 credits, students should take replacement courses chosen from the list of Minor courses to fulfil the Minor credit requirement.

- In the case of students who do not declare a Minor before the stipulated deadline and students who withdraw from or discontinue the Minor, courses already completed for the Minor will be counted as free electives.
- Minors completed will be specified in the Academic Transcript, but not on the Graduation Certificate.
