Lecturer /Assistant Professor in Interaction Design and Immersive Technology

Hong Kong Shue Yan University invites applications for a full-time Lecturer or Assistant Professor position, commencing in September 2025. The rank will be determined based on qualifications and experience. Candidates must possess a doctoral degree for the Assistant Professor role or a master's degree accompanied by substantial professional experience for the Lecturer position. Applicants should demonstrate the ability to effectively teach at both undergraduate and postgraduate levels while actively engaging in research. Additionally, candidates are expected to contribute to teaching and research in *four* of the following broad fields of specialization:

(1) Interaction Design
(2) UX/UI Analysis and Studies
(3) Extended Reality (XR) Applications
(4) Visualization Analysis and Digital Imaging
(5) Character Design and Computer Animation
(6) Digital Game Production
(7) Design Thinking
(8) AI in Design

Preference will be given to applicants who have at least two years of teaching experience and a good track record in research and publication. Proficiency in English is required, while proficiency in Chinese will be an advantage.

Applications should be addressed to the University Secretary via email (recruit_ap@hksyu.edu). It should include (1) a cover letter; (2) a complete CV including a list of research projects and publications; (3) a teaching statement (250 words); (4) a research statement (250 words); (5) three representative publications (for candidates applying for Assistant Professor); and (6) three references to be sent by the referees directly to the University.

The Search Committee will begin reviewing applications on 1 June 2025 and continue until 1 August 2025 or when the position is filled. Only shortlisted candidates will be contacted. Personal data received will be kept confidential and used for recruitment purposes only.
