

Part-time Lecturer for Master of Science in Financial Technology Management

The Department of Economics and Finance invites applications for a Part-time Lecturer to teach in the Master of Science in Financial Technology Management programme, commencing in September 2026. The appointed candidate will be responsible for delivering the following two courses:

FINT591 Economics and Finance for FinTech
FINT592 Cryptography and Blockchain

In addition, the candidate will be assigned to teach one course from the following list:

FINT 502 Financial Big Data Analytics
FINT 503 WealthTech and InsurTech
FINT 504 RegTech and Cybersecurity

Requirements

1. A master's degree or above in a) FinTech b) Finance / Business Administration (with an IT degree), or c) Computer Science / Data Science (with a Finance degree), or d) a closely related discipline. Relevant professional qualifications will be a plus.
2. Relevant industry, managerial, and data handling experience in Computer Science, Information Technology, or FinTech.
3. Strong communication skills and the ability to engage students effectively in both theoretical and practical learning.

Application Procedure:

Applicants should send a letter of application together with a completed [application form](#), curriculum vitae, copies of qualification documents, and three reference letters (recruit_ap@hksyu.edu).

For further information about the University and the Department of Economics and Finance, please email Prof Rita Li (ymli@hksyu.edu).

Only shortlisted candidates will be contacted. Personal data collected will be used for staff recruitment purposes only. The post(s) are open until filled.
