

Assistant/Associate Professor of Journalism and Communication
Department of Journalism and Communication
(Academic Year 2023/2024)

Department of Journalism and Communication is inviting applications for full-time Assistant or Associate Professor positions to start in September 2023.

Candidates should have a doctorate degree and demonstrate abilities to effectively teach at the undergraduate level while pursuing an active research agenda in at least one, but preferably more of the following areas:

Media Design and Immersive Technology(PhD in *IoE*, Communication or relevant disciplines preferred). The candidate will be expected to teach courses in Human Centered UX/UI Design, Asset Creation for VR/AR, VR/AR Application Development, Cloud Computing Features and Applications or Understanding Metaverse-Trends and Applications, among others.

The appointees will work in one of the areas described above; and are expected to conduct research, teach undergraduate courses, develop curriculum, supervise students, and undertake administrative and service-related activities. Proficiency in English is required, while proficiency in Chinese will be an advantage.

The academic rank offered will be commensurate with the academic and/or professional background and experience of the successful candidate. The appointment is contract-based, commencing in September 2023 and renewable upon mutual agreement.

Application Procedure:

Applicants should apply by sending:

- (1) a cover letter;
- (2) a statement of teaching and research;
- (3) a complete CV (including a list of publications);
- (4) one sample publication;
- (5) three references to be sent directly from the referees; and
- (6) the application form which can be downloaded from

<https://www.hksyu.edu/en/about/career>

Please send the above documents to Ms. Janice Lai via e-mail: mylai@hksyu.edu.
For further information about the Department, please visit <https://jc.hksyu.edu/en>.

Application Deadline:

5 June 2023, or until position is filled.

Only shortlisted candidates will be contacted. Personal data collected will be used for staff recruitment purpose only.
