

Hong Kong Shue Yan University
Centre on Social Work Clinical Practice, Research, and Training Partnership,
Department of Social Work

Post: Part-time Student Assistants

Research project: Care for the carers through virtual and community-based support service

Duties:

1. Assisting the project team in recruiting participants and volunteers,
2. Handling all the logistics for conducting the health education / health promotion talks, and support groups for carers,
3. Searching the literature, conducting quantitative research interviews, and transcribing the recording of individual in-depth interviews,
4. Compiling the data for data analysis and dissemination,
5. Performing miscellaneous project-related duties as assigned by the co-/principal investigators.

Requirements

Applicants should

1. Normally be undergraduate students in a higher education institute,
2. Be interested in research and possess some basic knowledge of research methods and techniques,
3. Have good written and verbal communication skills in English and Chinese, and good interpersonal skills with the ability to liaise with different stakeholders.

Salary and Conditions of Service

1. The working hours are flexible upon mutual agreement and normally about 10 hours per week for 12 months.
2. Salary offered will be commensurate with qualifications and experience

Information and Application

1. To apply, please send a completed HKSJU application form with Curriculum Vitae to Dr. Ben Chi-pun Liu at cpliu@hksyu.edu
2. All applications will be reviewed on a rolling basis until the positions are filled.
Only shortlisted applicants will be invited for interview.
