

Research Assistant Position

We are seeking a Research Assistant to support technology-related research projects. Current studies include:

- Evaluating the effectiveness of technology transformation in social welfare organizations
- Exploring virtual reality story theatre for children with ADHD
- Investigating AI applications in social work counseling education

Responsibilities:

- Assist with literature reviews
- Collect data and manage datasets
- Draft research proposals and reports
- Conduct interviews
- Supervise student assistants
- Liaise with research collaborators and partners
- Other assigned duties

Requirements:

Applicants should have: A bachelor degree in social sciences or a related discipline (preferred). Knowledge in either or both quantitative and qualitative research methods. Proficiency in computer software applications. Ability to work independently and collaboratively. Excellent written and oral communication skills in English and Chinese.

Appointment Period: The position is offered on a one-year contract basis, with the possibility of renewal subject to mutual agreement and funding availability. The remuneration package will be commensurate with qualifications and experience.

Application: Applicants should submit a completed application form along with a CV to Dr. Mo Yuen Han (Principal Investigator) at yhmo@hksyu.edu.

The application form for research positions can be downloaded at:
