

Research Assistants for research project

**Position: Full-time Research Assistant**

Job Duties The appointee will assist in implementing research activities involved in "Enhancing usage of counselling services for promotion of mental health with experience sampling method for self-financed sector of higher education (LSFSHE) in Hong Kong" (ref. no: 07220208)

He/she will be responsible for the following tasks: (a) data collection and data analysis; (b) liaison with participants, (c) planning and conducting focus groups; (d) designing and preparing questionnaires; (e) conducting pilot testing of survey instruments; (f) supervising student helpers in data collection and data entry; (g) drafting research report; (h) other research and administrative duties as assigned by the project team.

**Requirements**

Applicants should have: (i) preferably a bachelor/master degree in psychology, or related discipline; (ii) strong background in quantitative research methods and statistical techniques; (iii) proficiency in common statistical software applications including SPSS; (vi) good written and oral communication skills in English and Chinese.

**Terms and Conditions**

The appointment will be made on the basis of short contract (six months). The remuneration package will be commensurate with qualifications and experience.

Application Applicants should send a completed application form with expected salary, together with a cover letter and an updated curriculum vitae to the project Co-PI Dr. Fu Wai (wfu@hksyu.edu) and project PI Dr. Nigel Thompson ([thompson@hksyu.edu](mailto:thompson@hksyu.edu)) on or before 6 Jun 2024.

Application form (research positions) can be downloaded at <https://www.hksyu.edu/en/about/career/>. All applications will be treated in strict confidence. Only those who are shortlisted will be contacted.
