

Position: Research assistant (Full Time)

Job Duties

The appointee will assist in implementing research activities involved in “Longitudinal Associations Between Adverse Childhood Experiences, Anxiety and Depression, Resilience, and Emotional Eating: A Moderated Mediation Model” (UGC/FDS15/H07/24).

The appointee will be responsible for the following tasks:

- (a) Literature review;
- (b) Designing and preparing questionnaires;
- (c) Data collection and data analysis;
- (d) Supervising student helpers in data collection and data entry;
- (e) Assisting in drafting research reports and manuscripts; and
- (f) Performing other research and administrative tasks as required.

Requirements

Applicants should have: (i) preferably a bachelor/master’s degree in psychology, or related discipline; (ii) strong background in quantitative research methods and statistical techniques; (iii) proficiency in common statistical software applications including SPSS; (vi) good written and oral communication skills in English and Chinese.

Terms and Conditions

The appointment will be made on the basis of a one-year contract, with a possibility of renewal, subject to mutual agreement and funding availability. The remuneration package will be commensurate with qualifications and experience.

Application

Applicants should send a completed application form with expected salary, together with a cover letter and an updated curriculum vitae to Dr. Chan Chui Yi (acychan@hksyu.edu). Application form can be downloaded at <https://www.hksyu.edu/en/about/career/>. Applications will be reviewed on a rolling basis, and the position will remain open until filled. Only shortlisted candidates will be contacted.

All applications will be treated in strict confidence.
