

Position: Part-time Research Assistant

Supported by the Faculty Development Scheme (FDS), Research Grants Council (UGC/FDS15/H13/25), a project team from the Department of Counselling and Psychology at Hong Kong Shue Yan University is conducting a research project entitled “Enhancing Compassion, Help-seeking Intention and Mental Wellbeing of Emerging Adults with ACEs through a Compassion-based Intervention”. The project team is seeking a passionate candidate for the position of Research Assistant (Part-time) for the project.

Major Responsibilities

- Liaising with different parties for data collection and project implementation
- Prepare research materials and facilitate group sessions with study protocols.
- Collecting, entering, processing, and analysing data
- Assist in the compilation of research reports and other forms of deliverables
- Perform other research and administrative duties as assigned by the project team

Requirements

Applicants should possess:

- A Bachelor’s degree or above in counselling, psychology, social work, or related disciplines
- Relevant experience in qualitative and quantitative research
- Experience in leading mindfulness- or compassion-based groups, and/or facilitating psychoeducational group sessions
- Good command of written and spoken English and Chinese
- Strong organizational and interpersonal skills, with the ability to work independently and manage multiple tasks effectively
- Proficient computer skills and data analysis software (e.g. MS Office, SPSS)

The Appointment commences as soon as possible for a duration of 6 months. The remuneration package will be commensurate with qualifications and experience.

Application

Applicants should send a completed application form, together with a cover letter and a curriculum vitae with the expected salary to Dr. Winnie Yuen (Principal Investigator) at wyyuen@hksyu.edu. Application form can be obtained at: <https://www.hksyu.edu/en/snippets/external-vacancy>

Only shortlisted applicants will be contacted. The information provided will be used solely for recruitment-related purposes. All applications will be destroyed after the recruitment exercise.

Closing Date

7 September 2026
