

## **Position: Part-time Research Assistant**

### **Job Duties**

The part-time RA will assist the Principal Investigator (PI) to conduct research project entitled “ Efficacy of a mindfulness-based intervention with and without virtual reality support to promote mental health through self-compassion and mind wandering among university students: A randomised controlled trial (URG/24/07)”, which is funded by the Hong Kong Shue Yan University’s University Research Fund.

### **Major Responsibilities**

- Collecting, entering, processing, and analysing data
- Liaising with different parties for data collection
- Assist in group sessions
- Perform other research and administrative duties as assigned by the PI to support the operation of the research project

### **Requirements**

Applicants should possess:

- Bachelor’s degree in counselling, psychology, social work, or related disciplines
- Preferably with both qualitative and quantitative research experience
- Preferably with experience in mindfulness and/or facilitating group sessions
- Strong command of written and spoken English and Chinese
- Mature, self-motivated, able to work independently, and capable of meeting tight deadlines
- Excellent interpersonal and organizational skills
- Proficient computer skills, including MS Office applications and SPSS

The Appointment commences as soon as possible to 30 June 2026. The remuneration package will be commensurate with qualifications and experience.

### **Application**

Applicants should send a completed application form, together with a cover letter and a curriculum vitae with the expected salary to Dr. Winnie Yuen (the PI) at [wyyuen@hksyu.edu](mailto:wyyuen@hksyu.edu). Application form can be obtained at: <https://www.hksyu.edu/en/snippets/external-vacancy>

Only shortlisted applicants will be contacted. The information provided will be used solely for recruitment-related purposes. All applications will be destroyed after the recruitment exercise.

### **Closing Date**

Until the position is filled.
