

## **Hong Kong Shue Yan University**

**Post: Part-time academic position in Statistics (Data Science/ Business Analytics)**

**Rank: Assistant Professor / Senior Lecturer**

The Department of Accounting invites applications for a part-time position in Statistics (Data Science/Business Analytics) for the academic year of 2019/20, second semester. The successful candidate will be appointed at the rank of assistant professor/senior lecturer commensurate with his/her qualifications and experience. Applicants are expected to have: (i) a PhD degree in Statistics in Data Science, Business Analytics, or a closely related field; (ii) strong commitment to, and evidence of, excellence in teaching and learning; (iii) be capable of designing and offering courses on business analytics, statistics, data analysis, spreadsheet modelling, computer programming, or related courses; (iv) a good track record of publications; and (v) proficiency in English. Applicants with specialization in data science and information systems/computer science will have priority of consideration.

Application procedure:

Applications should submit an application dossier containing a letter of interest including salary expectation, a complete curriculum vitae, a sample of publication, and three confidential reference letters. Please send the dossier to Ms. Casey Li, Department of Accounting, Hong Kong Shue Yan University, Braemar Hill, Hong Kong. Direct all inquiries to Ms. Casey Li (Email: [wyli@hksyu.edu](mailto:wyli@hksyu.edu)).

Closing Date: 30 June 2019

Review of applications will start immediately and will continue until 30th June of 2019. Only shortlisted candidates will be contacted.
