

Lecturer/Assistant Professor Opening in Data Science

The Department of Applied Data Science at Hong Kong Shue Yan University is inviting applications for a full-time Lecturer/Assistant Professor position, to commence on 1 January, 2021 or 1 June, 2021.

Applicants should possess doctoral/master qualifications in relevant computer science discipline preferably with relevant teaching and research experience. Fields of specialization include, but are not limited to, AI, machine learning, robotics, 5G/IoT, big data analysis, cloud computing, and data governance.

The appointment is contract-based and renewable upon mutual agreement. Applicants should apply by sending (1) statement of teaching and research, (2) a complete CV including list of publications, (3) two representative publications, and (4) application form which can be downloaded from <https://www.hksyu.edu/tc/about/career/> to Ms Eunice Leung (e-mail: yyleung@hksyu.edu).

Only shortlisted candidates will be contacted. Personal data received will be used for recruitment purposes only. Review of applications will start as soon as possible until 15 January 2021 and continue until the post is filled, whichever is earlier.
